# The University of Waikato

## The Crest

*The outside red border – a stylised fern frond or pitau – symbolises new birth, growth, vitality, strength and achievement. Inside the border is the University's coat of arms. The open book surrounded by the four stars of the Southern Cross is a symbol of learning. The crest design is in the University's colours of black, red and gold.*

## Ko Te Tangata

*The University's motto, Ko Te Tangata/ For the People, reflects our intrinsic belief that people are central to the institution and are its most valued resource.*

# Welcome

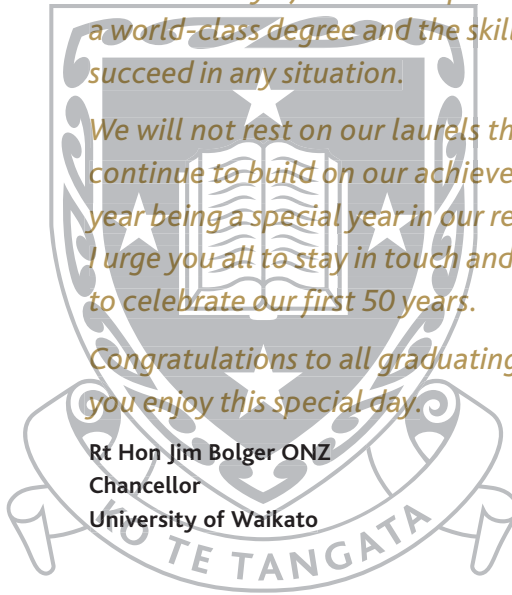

*It is a pleasure to once again be part of the University of Waikato graduation ceremonies and to witness the pride on the faces of family and friends as they celebrate the hard work and endeavour of the first of this year's graduates.*

*Next year the University of Waikato celebrates our 50th anniversary but our graduates are already making their mark around the world, proving that the University of Waikato is providing students with a world-class degree and the skills necessary to succeed in any situation.*

*We will not rest on our laurels though, and we continue to build on our achievements. With next year being a special year in our relatively brief history, I urge you all to stay in touch and come back in 2014 to celebrate our first 50 years.*

*Congratulations to all graduating students. I hope you enjoy this special day.*

**Rt Hon Jim Bolger ONZ  
Chancellor  
University of Waikato**

*Welcome everyone to this important occasion, not just for our graduands but also for the University of Waikato as an institution. Today we acknowledge and celebrate the success of our students in front of the most important people of all, their whānau, family and friends.*

*We can all take pride in their success and we should also acknowledge the tremendous amount of hard work and effort each and every one of them has put in to completing their chosen degree.*

*As they finish this journey and prepare to begin another – some certain of their path, others less certain where their journey may lead – we congratulate them and wish them well.*

**Professor Roy Crawford  
Vice-Chancellor  
University of Waikato**

# Honorary Doctorates

*An Honorary Doctorate is the most prestigious award that the University of Waikato can bestow. For their significant contribution to the University, the Waikato region and the wider New Zealand community, the University is pleased to award the following worthy recipients:*

MR GORDON STEPHENSON CNZM

CONFERRED 16 APRIL

Farmer and environmentalist Gordon Stephenson CNZM has helped protect and preserve New Zealand's natural environment for more than 50 years.

He arrived in New Zealand in 1958 with wife Celia, three young children and an agricultural degree from Reading University, eventually settling at Waotu, near Putaruru, in 1964.

Along with farming, Mr Stephenson has been on the national body of Federated Farmers, a member of the Environmental Council, Forest and Bird, Waikato Conservation Board, New Zealand Landcare Trust, South Island High Country Review committee, Maungatautari Ecological Island Trust and many more organisations.

He instigated the Farm Environment Awards and launched the QEII National Trust, becoming the first person to covenant land under the Trust. Mr Stephenson has received countless accolades for his work, including becoming a Companion of the New Zealand Order of Merit in 1988.

MR BERNIE CROSBY

CONFERRED 18 APRIL

Bernie Crosby and his wife Kaye founded Prolife Foods in the mid-1980s and have grown the business into one of New Zealand's largest privately owned and operated food businesses. The company imports, manufactures and markets nuts, dried fruit, snacks, cereals and confectionery products, supplying products to supermarkets in both New Zealand and Australia.

Mr Crosby is known for developing and maintaining excellent relationships with stakeholders and he has been recognised for his leadership with many awards. Alongside Prolife Foods, Mr Crosby has held directorships at several other companies and also contributes to the community through his support of the Hamilton Gardens, the MESH Sculpture Trust, the New Zealand Painting and Printmaking Award and the Coromandel Westpac Rescue Helicopter Trust. Mr Crosby has also initiated a campaign to raise \$1 million over five years to fund neurological research into Parkinson's disease.

DAME SUSAN DEVOY

CONFERRED 19 APRIL

Dame Susan Devoy is one of New Zealand's most successful sporting champions. For nine years during the 1980s and 1990s she was virtually unbeatable on the world's squash courts, winning four world championships and eight British Opens. She was named New Zealand Sportswoman of the year in four separate years and was the youngest person since Sir Edmund Hillary to receive a knighthood.

Dame Susan has had a long association with the Halberg Trust and is a patron of the Muscular Dystrophy Association. She's a former chair of Sport Bay of Plenty and was part of the government-appointed taskforce on sport, fitness and recreation.

She's a trustee on the Tauranga Energy Consumer Trust, has supported campaigns for mental health and immunisation for children, and is currently a trustee for the Home of Cycling being built in Cambridge. On 1 April this year, Dame Susan became New Zealand's new Race Relations Commissioner.

## VICE-CHANCELLOR

### *Professor Roy Crawford*

**BSc(Hons) PhD DSc Belfast FIMechE FREng FIPENZ**

Professor Crawford is a Professor of Mechanical Engineering, whose primary research interest has been in the mechanical properties and processing behaviour of plastics. Previously Senior Pro Vice-Chancellor at Queen's University, Belfast, with special responsibility for Research and Development, he has on-going research and business interests in New Zealand associated with the establishment of a new polymer research centre. He has published seven books, more than 270 papers and has been a member of numerous government panels and research grant committees in the UK. He is a Fellow of the Royal Academy of Engineering.

## DEPUTY VICE-CHANCELLOR

### *Professor Alister Jones*

**BSc Otago MSc PhD Waikato DipT MRSNZ**

Professor Jones was appointed Deputy Vice-Chancellor in 2011. He is the former Dean of Education and was previously Research Professor and Director of the Wilf Malcolm Institute of Educational Research at the Faculty of Education. He has managed and directed research projects that have informed policy, curriculum and teacher development in New Zealand and internationally. His main areas of research are curriculum, teaching, learning and assessment, particularly in science and technology education. He has acted as an international consultant in curriculum and assessment and building educational research capability. In 2000, he was awarded the NZ Science and Technology Medal for his significant contribution to the development of technology education both nationally and internationally.

## PRO VICE-CHANCELLOR (MĀORI) DEAN OF MĀORI & PACIFIC DEVELOPMENT

### *Professor Linda Smith CNZM*

**BA MA PhD Auck DipT**

Professor Smith (Ngāti Awa, Ngāti Porou) was appointed Pro Vice-Chancellor Māori at the University of Waikato in 2007. Professor Smith previously held the Chair in Education at The University of Auckland and was joint director of Ngā Pae o te Māramatanga (Horizons of Insight), the National Institute of Research Excellence in Māori Development and Advancement. Professor Smith's PhD in education was conferred by The University of Auckland in 1996. Her work in the field of Māori education and indigenous people's education generally, is renowned both here in New Zealand and internationally.

# University of Waikato Academic Leaders

## DEAN OF ARTS & SOCIAL SCIENCES (ACTING)

### *Dr David Lumsden*

**BA(Hons) London MA PhD Princeton**

Dr David Lumsden has been a member of staff at Waikato University since 1979. He has previously held the positions of Chairperson of the Department of Philosophy and Religious Studies, Pro-Dean Graduate and Postgraduate, and Chairperson of the School of Social Sciences. He has published in the areas of the Philosophy of Language, particularly in relation to the theory of reference and pragmatics, and the Philosophy of Mind.

## DEAN OF COMPUTING & MATHEMATICAL SCIENCES

### *Professor Geoff Holmes*

**BSc(Hons) PhD Southampton**

Professor Holmes gained an Honours Degree and Doctorate in Mathematics from the University of Southampton in the UK. Following a research position in the engineering department at Cambridge University, he joined Waikato in 1987 as a lecturer in computer science, and rose up the academic ranks. He was appointed Dean of the Faculty of Computing & Mathematical Sciences in 2008. His major research interest is in machine learning, a topic that involves mathematics, statistics and computer science. He is best known nationally and internationally for his contributions to applied machine learning, deploying theoretical frameworks in practical situations. He is currently involved in collaborative research with local industry to provide automatic analysis of analytical testing procedures.

## DEAN OF EDUCATION

### *Professor Roger Moltzen*

**TTC, DipT, BEd, MEd, PhD Waikato**

Professor Roger Moltzen is a former school teacher and school principal. Prior to being appointed Deputy Dean and then Dean of the Faculty he was Chair of the Department of Human Development and Counselling. He has led numerous research and development contracts in inclusive education, and the education of gifted and talented students. His current research focuses on talent development across the lifespan. In 2005 he was awarded the Prime Minister's Supreme Award for Tertiary Teaching Excellence.

## DEAN OF LAW

---

### **Professor Bradford Morse**

**BA Rutgers LLB British Columbia LLM York**

Professor Morse gained his Bachelor of Arts, with a major in History and Sociology from Rutgers College and Livingston College, Rutgers University New Brunswick, New Jersey, USA in 1972. # A Brief History of the University

The University of Waikato had its genesis in 1956 when a small group of visionary individuals began working towards founding a university for the people of the South Auckland region.

A college, a sub-branch of Auckland University, was established in 1959 and in 1965, after opening its doors in 1964, the University of Waikato was officially opened by the then Governor-General, Sir Bernard Fergusson (later Lord Ballantrae).

From modest beginnings, on what was largely farmland and with a handful of temporary buildings and few staff, the University of Waikato now has a student population of 12,000, with more than 3,800 graduating each year. Today, the University employs more than 1,500 academic and support staff, making a significant contribution to the local economy.

The University is recognised for its strong research and teaching and has forged great international links; 175 agreements have been signed with universities around the world.

## THE CAMPUS

Our Hamilton campus, with grounds covering 65 hectares, continues to be a source of community pride. The grounds include sports fields, walkways, three lakes and extensive gardens.

At the end of 2011, we opened the new \$30 million Student Centre which houses the library, computers, meeting and relaxation spaces. It has a 5 Green Star rating from the New Zealand Green Building Council, recognising the environmental and sustainable features of the building's design. The conception and completion of the Student Centre is a further demonstration of our commitment to the delivery of a world-class education while providing our students with a dynamic student experience.

The University of Waikato has a campus at Tauranga and a strong relationship with the Bay of Plenty Polytechnic. Collaborative arrangements include the sharing of resources and services and joint provision of professional development and training opportunities for staff.

## Our Vision

*The overarching themes of our Vision are Excellence, Distinctiveness and International Connectedness; these drive the University of Waikato.*

We see our distinctiveness in terms of three interdependent components; Sustainability, Māori and Leadership. Our real distinctiveness comes in their synergy in the context of our identity. We are a New Zealand university, aware of our relevance and responsibilities to the region, and compete on an international stage.

# Our Commitment

The University of Waikato is committed to delivering a world-class education and research portfolio, providing a full and dynamic university experience which is distinctive in character, and pursuing strong international links to advance knowledge.

Through sustained research and the attraction of high levels of external funding from public sector and industry sources, we aim to maintain a highly competitive research profile. Our staff participate in a wide range of research consortia, clusters, and multi-institutional research teams locally, regionally, nationally and internationally. We are well-placed to contribute to the local and national economies by enhancing business capability in the region and increasing opportunities for the commercialisation of intellectual property.

We play an essential leadership role in the prosperity of the Waikato, defined also in terms of the tribal boundaries of the 16 iwi affiliated to Te Rōpu Manukura. We sit at the heart of a community of strong regional partnerships and take pride in serving the strengths and interests of our region.

We are committed to increasing the tertiary participation rate of our regional population overall as well as the proportions of new school leavers and postgraduate students. We are also committed to ensuring the ongoing relevance of the programmes we offer and the effectiveness of our delivery of them.

We foster a culture of internationalisation, measured through the diversity of our student and staff profiles, a long-standing pride in our reputation for the pastoral care of our international students, and the measures we take through curriculum, programme design and our global networks and connections to international influences.

From inception we have been at the forefront of initiatives that support Māori aspirations. Sir Bernard Fergusson placed Waikato as "the first of the New Zealand universities to be planted right in the heart of traditionally Māori country". Since our foundation, we have worked closely with local iwi, particularly Tainui, to make the University accessible to Māori students and to foster an environment of success. Today we are proud to have the highest proportion of Māori students of any New Zealand university.

We are also proud of our evolution into a truly New Zealand institution supporting our country's nation-building policies and reflecting our nation's identity.

## World Rankings

### University of Waikato now in top 2% of world's universities

The University of Waikato is now ranked 302 in the world by the influential UK-based Times Higher Education organisation.

This places the University of Waikato in the top 2% of the 17,000 universities in the world.

The University of Waikato rose from 318 to 302 in the 2012-2013 figures released in October 2012 – a bigger jump than any other university in New Zealand.

The rankings are based on teaching, research, citations, industry outcomes and innovation and international outlook.

The University of Waikato rose strongly in the area of citations and is second in New Zealand for this category. The overall rise in rankings also reflects the fact the University continues to deliver, and is being recognised for its internationally benchmarked and highly regarded teaching and research.

### THE top 100 universities under 50 years old

The University of Waikato is ranked top in New Zealand and seventh in the Southern Hemisphere of the top 100 universities under 50 years old by UK-based Times Higher Education.

The rankings were released in 2012 and place the University of Waikato 58th in the world. The list is an offshoot of the Times Higher Education's World University Rankings and used the same indicators for judging including research, citations and teaching. THE says the analysis of young universities is designed to examine future potential as much as current excellence.

It decided to use objective performance indicators and focus less on reputation, saying older universities enjoy established alumni networks and graduates in senior positions around the world which have a large impact on reputation.

# Ceremonial Traditions

*Elements of university graduation ceremonies have evolved from the 12th century when the first universities emerged in Europe.*

The organisation of medieval universities was modelled on the established institutions of the day – the church, the monastery and the guild.

Latin was the language used by medieval scholars, and it is from Latin that the words 'university' and 'degree' are derived. The Latin term *universitas* means a guild or union, and universities started as a scholastic guild – a self-constituted community of teachers and scholars.

The word *graduate* comes from the Latin word *gradus*, which means step. Admission to study a bachelors degree was the first step taken towards completing a university education. The second step was to become a 'master'. Masters were Master of Arts graduates whose degrees licensed them to teach. The Chancellor, an officer of the cathedral, originally granted teaching licences.

## CEREMONIAL ROBES AND ACADEMIC DRESS

In the Middle Ages the corporate existence of universities was recognised and sanctioned by civil or ecclesiastical authority. The regalia worn by graduates and university staff today reflect this mix of medieval governance. Robes worn by the Chancellor resemble those worn by the Lord Chancellor of England. Graduates and academic staff wear gowns similar to the dress of medieval clergy. Hoods are also fashioned on an everyday medieval garment, although the coloured lining was a later addition to indicate the wearer's university and degree.
